Dear Minister,

I am writing this to express my deep concern for Adolfo Guzmán Ordaz and his family who presently live in San Cristóbal. Adolfo Guzmán works for the community organization Enlace Comunicación y Capacitación, which provides human rights and sustainable economic development training for rural and Indigenous communities, and his wife, Margarita Martínez, volunteers in the same organization. They received anonymous death threats in December and January, and Margarita Martínez was abducted, beaten and threatened by a gang of at least 2 men on 25 February.

I call on you to provide immediate and effective protection for Adolfo Guzman, Margarita Martinez and their children, in accordance with their wishes, so that they can pursue their complaint against the police.

I urge you to order a prompt, thorough and impartial investigation into the abduction, beating and threats received by Margarita Martinez, publish the results and bring those responsible to justice.

Thank you for your prompt attention to the above.

Sincerely yours,
