Dear Board members,

I am writing this to express my deep concern for Henry Skinner, who was convicted of murders of his girlfriend and her two sons, occurred in 1993. He maintains his innocence and seeking DNA testing of evidence that could support his claim.

I am not seeking to excuse the killing of Twila Busby and her two sons. But there remain serious doubts about Henry Skinner's guilt.

I call for clemency for Henry Skinner and for commutation of his death sentence.

I would like to call on the state to grant Henry Skinner's request for DNA testing of crime scene evidence.

Sincerely yours,
