Dear Attorney General,

I'm writing to you to express my deep concern that four staff members of the Guatemalan Forensic anthropology Foundation have received death threats.

I respectfully call on you to order an independent, thorough and impartial investigation into the threats made against FAFG staff, with the results made public and those responsible brought to justice, and urge you to take immediate steps to provide full and appropriate protection to FAFG and its staff members in accordance with their wishes.

Sincerely yours,
