DATE _____, 2011

Dear Minister,

I am writing this letter to express my grave concern for the health condition of U Gambira, a Buddhist monk who was transferred to Myaungmya prison around 16 November 2011. He is reported to have been tortured in April 2009, while he was held in Hkamti prison, north of Kale.

I urge you that U Gambira is admitted to hospital immediately for a full and independent medical examination, and he is given all necessary medical treatment.

I further urge you that he is released immediately and unconditionally, since he is a prisoner of conscience, detained solely as a result of his peaceful activism.

I also I urge you that you conduct a full and impartial investigation into the reports that U Gambira was tortured, with the results made public and those responsible brought to justice. Please remember that torture and other forms of ill-treatment are absolutely prohibited under international law.

Sincerely yours,
